

Discover 10 Things Both Sexes Wish Women Knew about Men!

Do you realize a large percentage of relationships could be salvaged with better communication regardless of the circumstances? Learn from *The Man-Ologist* Himself!

Communication within relationships is not just an act, but a way of life. If not handled delicately the relationship could possibly suffer damage beyond repair. One key ingredient in the catalogue of relationship communication is *understanding*. Of course the male species will never fully understand the female species and vice versa. But the truth is you don't have to figure out the entire species...**ONLY YOUR MATE.**
